Sheet Music and Lyrics

Dear Educator,

Rock the Test! is an original composition that offers you a way to use music to prepare students for test taking and encourage their success. Its toe-tapping beat and infectious melody will make it easy for students to learn and sing.

This sheet music provides the piano accompaniment to the song, as well as guitar chords and lyrics. The lyrics also are printed on the *Be a Test-Taking Idol* bookmark for students to use to sing along.
